Appendix 1: Overview of Learn with NALA

Background

Since 2000, NALA has provided direct educational support to adults with unmet literacy, numeracy and digital literacy needs in Ireland. Provision was initially in the form of a one-to-one over the phone and distance learning course.

In the 24 years since, support has been delivered through a variety of media including printed workbooks, national radio and television series ('Written Off'), and an online learning website ('Write On'). All of these offerings were complemented by one-to-one over the phone support. For more see [NALA's Leading the way in online learning](#) and [Learning with NALA](#) reports.

In 2020, NALA launched its new Virtual Learning Environment (VLE), which is made up of:

- a website learnwithnala.ie, where learners can get information on their options and register for courses; and
- a Learning Management System (LMS) learn.nala.ie, where registered learners can take their online courses and a Customer Relationship Management (CRM) system for data management and reporting.

Through Learn with NALA, NALA offers the following services:

- 1. Learn with NALA Tutoring Service:** A one-to-one personalised over the phone Tutoring Service for adults with unmet literacy, numeracy and digital literacy needs.
- 2. Learn with NALA online learning service:** 43 online courses in literacy, numeracy and digital literacy at Levels 1 to 3 on Ireland's National Framework of Qualifications (NFQ). Adults with unmet literacy, numeracy and digital literacy needs register for courses on www.learnwithnala.ie and either:
 - **learn independently online** with the option of one-to-one personalised support with Learn with NALA's Tutoring Service; or
 - **take the courses in a blended learning context** through registered Learn with NALA centres. Centres provide learners with support with enrolment and support in their online learning.

Learners have the option of taking courses aligned at National Framework of Qualifications (NFQ) Level 1, 2, 3 and Preparing for Level 3 in literacy, numeracy and digital literacy. Courses at Level 1 and Preparing for Level 3 are unaccredited. Learners can receive a NALA Certificate of Completion. Courses at Level 2 and 3 are accredited by Quality and Qualifications Ireland (QQI).

Both groups of learners are supported through a dedicated Learn with NALA Services Team who provide information, advice, resources, technical support and tuition through a helpline, email and post. Additional resources from NALA's library of resources are made available to learners through this support team. These include worksheets, videos and workbooks.

- 3. Learn with NALA Professional Development:** 5 online learning courses for adult literacy tutors to support their practice as well as for professionals who provide services to adults with unmet literacy, numeracy and digital literacy needs.
